## PRESS RELEASE

FOR IMMEDIATE RELEASE — FEBRUARY 5, 2010

### **India task force meeting set to convene mid-February** Fourth WQA session to be held in Ahmedabad

**Lisle, Illinois USA** — The fourth WQA India Task Force meeting will be held in Ahmedabad, India, on Thursday, February 11, 2010 from 10:30am-6:00pm, organizers have announced.

The agenda calls for review of WQA's India Task Force structure, discussion about membership recruitment, the launch of the India Professional Certification Program, an examination of the WQA initiative for misuse of registered logos, and honoring new members.

The meeting will be held at Cambay Grand, Near PERD Centre, Sola Over Bridge, Thaltej, Ahmedabad, Gujarat, India. Those interested in attending or learning more may email the India Operations Manager at [chandu@wqa.org](mailto:chandu@wqa.org), or call 91-9739670392.

The Task Force in India, organized under the banner of the Water Quality Association, has represented the first gathering in the nation's history of members of the home water treatment industry.

The task force is chaired by Govind Bommi of Filtrex International, with two Vice Chairs supporting him, Vikram Surendran of Unilever and Marzin Shroff of Eureka Forbes. Regu P. Regunathan, Technical Consultant to WQA, acts as staff support, and Tom Palkon, Director of Certification at WQA, plays a leading role in this task force.

Companies participating for the first time in any of the India Task Force meeting are invited free of charge. After the first free meeting, participants must become WQA members to attend future meetings.
