WQA PRESS RELEASE

FOR IMMEDIATE RELEASE — MARCH 23, 2009

WQA elects Bob Hague, CWS-VI, of Ohio new association president New leader points to upcoming industry challenges and opportunities

Lisle, Illinois USA — The Water Quality Association elected Robert A. Hague, CWS-VI, Groveport, Ohio, as association president this month.

The election took place at WQA Aquatech USA 2010 at the Orange County Convention Center in Orlando, Florida on March 11.

Hague is president of Hague Quality Water International. He served as Vice President on the WQA Board of Governors and Chairman of the Manufacturer Section. He is also a member of the Nominating Committee, and Ultra Low Brine Discharge and Salinity Task Forces.

“We are facing great challenges, but that also means great opportunity,” Hague said. “These are tough economic times, which makes it more important than ever for everyone in the industry to have a strong voice and a powerful advocate through WQA.”
